

30 January 2008

Mr. Kelly Brian Neale, CISA, CISSP
Manitoba Hydro
444 St Mary Ave.
Room 1740
Winnipeg, MB R3C 3T7
Canada

Dear Mr. Neale,

Congratulations to the Winnipeg Chapter on your 25th anniversary! Your chapter has been instrumental in helping lead ISACA to the success and visibility it enjoys today.

We have long felt that the chapters are the building blocks of this Association. There is no question that the enthusiasm shown and the services provided locally are fundamental to our success in gaining new members and in retaining existing ones. Clearly, the Winnipeg Chapter has found a winning formula by determining what its members and constituents need, then applying resources in the most astute and beneficial way to meet those needs.

ISACA depends on the strength and support of members and chapter in all of our current and future endeavors. To recognize your constant and continued support, and to congratulate you on this milestone, ISACA is sending you this plaque in recognition of your 25th anniversary.

On behalf of ISACA, thank you for your substantial contribution to the Association's progress. Please convey to your members our appreciation of their many years of success, and our best wishes for many more.

Sincerely,

Stephen L. Thorsted
2007-2008 Membership Board Chair
