

The ISACA Winnipeg Chapter is hosting a 2007 Security Management Conference on November 6th and 7th, 2007 at the Radisson Downtown. The conference theme is "Setting the Standard in Security Management."

The mission of this conference is to educate and expand the knowledge and skills of participants in the fields of IT Security, governance and management and to encourage and foster the free exchange of information, techniques and best practices. This conference offers a forum for participants from the IT Security Management field to discuss information security technology related issues or topics and to gain knowledge through the experience of others. In addition, the conference facilitates knowledge transfer through presentations by leading experts in the field of Security Management, with the intent of keeping participants abreast of current trends.

We are offering sponsorship opportunities for organizations wishing to raise their profile in the Security Management field. The following opportunities are available.

Sponsorship	Cost	Benefits
Breakfast	\$2000.00	2 complimentary conference passes and publicizing of sponsorship
Morning coffee break	\$500.00	½ complimentary conference pass and publicizing of sponsorship
Lunch Sponsorship	\$2500.00	2 complimentary conference passes and publicizing of sponsorship
Afternoon coffee break	\$500.00	½ complimentary conference pass and publicizing of sponsorship
Evening Reception Sold Out	\$3,000.00	3 complimentary conference passes and publicizing of sponsorship

Publicizing of sponsorship will include the Conference Web Pages, marketing and conference materials.

The conference is on **November 6th & 7th, 2007, Winnipeg, Manitoba, Canada at the Radisson Hotel (Downtown)**. We expect about 200 participants.
